New release: The Selection by Marylin Fitoussi

Nouveauté : The Selection by Marylin Fitoussi

01

To kick off your journey in the Tuileries tent, Premiere Classe is launching a brand-new format: THE SELECTION. From the moment you enter, let yourself be guided by the expert eye of Marylin Fitoussi, the renowned costume designer of Emily in Paris.

Far from conventional, she takes over the show with complete freedom and a vibrant aesthetic. This carefully curated selection of Accessories and Ready-to-Wear blends archival pieces, prototypes, and the season's favorites. More than just a selection, it's an invitation to discover unique stories, bridging couture heritage and the new creative scene.

"I conceived this selection like making a film: emotion is the guiding thread, with originality and audacity as the catalysts. I love small houses, the passing down of traditions, and family histories, because accessories reflect unique craftsmanship. More than just an object, each piece is a style statement, designed for those who dare to stand out and assert their individuality. This is the entire philosophy of the Premiere Classe salon: here, fashion doesn't follow trends, it takes the lead." — Marylin Fitoussi

Pour ouvrir votre parcours dans la tente Tuileries, Premiere Classe inaugure un format inédit : THE SELECTION. Dès l'entrée, laissez-vous guider par l'œil expert de Marylin Fitoussi, célèbre créatrice de costumes d'Emily in Paris.

Loin des conventions, elle investit le salon avec une liberté totale et une esthétique haute en couleur. Cette curation pointue d'Accessoires et de Prêt-à-Porter mêle pièces d'archives, prototypes et coups de cœur de la saison. Plus qu'une simple sélection, c'est une invitation à découvrir des histoires singulières, entre héritage couture et nouvelle scène créative.

□ J'ai conçu cette sélection comme on réalise un film: l'émotion en est le fil conducteur, avec l'originalité et l'audace comme détonateurs. J'aime les petites maisons, la transmission et les histoires familiales, car l'accessoire est le reflet d'un savoir-faire unique. Plus qu'un objet, chaque pièce est une déclaration de style, pensée pour ceux qui osent se démarquer et affirmer leur différence. C'est toute la philosophie du salon Premiere Classe : ici, la mode ne suit pas les tendances, elle prend les commandes. □ — Marylin Fitoussi
