# WHERE SUMMER

## *Never Ends*

Pour cette édition, Who's Next, Interfilière Paris et Bijorhca célèbrent l'été infini, la caresse du soleil sur une plage dorée, où la fête bat son plein, vibrante et sans fin. Les couleurs éclatent, les vagues dansent au rythme des manèges, et les rires s'envolent, portés par une énergie contagieuse. Le vent marin effleure la peau, l'air empli de douceurs sucrées. Chaque soir, les feux d'artifice illuminent le ciel, effaçant les frontières entre le présent et l'éternité. Ici, l'été ne finit jamais, chaque moment est une célébration des liens créés et d'échanges prospères, la promesse d'un avenir commun : Where Summer Never Ends.

*For this edition, Who's Next, Interfilière Paris et Bijorhca celebrate the never-ending summer, the caress of the sun on a golden beach, where the party is in full swing, vibrant and infinite. The colours are bursting, the waves are dancing to the rhythm of the rides, and the laughter is soaring, carried along by an infectious energy. The sea breeze brushes against your skin, the air filled with sweet treats. Every evening, fireworks light up the sky, blurring the boundaries between the present and eternity. Here, summer never ends, every moment a celebration of bonds forged and prosperous exchanges, the promise of a shared future: Where Summer Never Ends.*

## *Who's Next*

Printemps-Été 2026  
Spring-Summer 2026

Pour prolonger l'inspiration de cette édition, nous avons confié à Tagwalk l'analyse de la tendance Where Summer Never Ends. L'objectif : comprendre comment cet imaginaire solaire, festif et vibrant se manifeste concrètement dans les collections, les couleurs, les formes, les matières.

Parce qu'un thème ne vit pleinement que s'il résonne avec le réel, cette étude décode les signaux stylistiques qui façonnent aujourd'hui la mode estivale — et anticipent les désirs de demain.

Cet été sans fin, nous retrouvons des éléments contrastés qui définiront la manière dont la femme s'habille.

D'un côté, une douceur libre d'esprit qui se décline à travers les plis, la dentelle et les silhouettes fluides.

De l'autre, une vision plus affirmée de la féminité ; confiante, ancrée et audacieuse sans compromis.

Qu'elle soit attirée par le mouvement ou par la structure, elle s'exprimera à travers la texture, la tension et une étreinte généreuse des couleurs.

*To extend the inspiration behind this edition, Tagwalk was invited to decode the trend Where Summer Never Ends. The aim: to understand how this sun-drenched, vibrant and celebratory narrative is translated into real, tangible elements — colours, cuts, materials and moods.*

*Because a theme only comes to life when it resonates with reality, this exclusive study identifies the stylistic signals shaping today's summer fashion, while forecasting the desires that will define tomorrow.*

*This never-ending summer, we find contrasting elements that will shape the way the woman dresses.*

*On one side, a free-spirited softness that drifts through pleats, lace, and flowing silhouettes.*

*On the other, a sharper take on femininity; confident, grounded, and unapologetically bold.*

*Whether drawn to movement or to structure, she will express herself through texture, tension, and an open embrace of colour.*

# WHERE SUMMER

## *Flows Free*

Son look est fluide, sans effort et plein de vie. Des robes longues ondulent en mouvement, adoucies par la dentelle, les plis et les détails artisanaux. Des nuances de vert traversent sa garde-robe, allant des teintes douces aux couleurs vibrantes, reflétant un état d'esprit lumineux qui semble à la fois enraciné et éclatant.

*Her look is fluid, effortless, and full of life. Long dresses ripple in motion, softened by lace, pleats, and artisanal details. Shades of green wash through her wardrobe, from softer to vibrant tones, reflecting a light-filled mood that feels both grounded and luminous.*

# WHERE SUMMER

## *Finds Its Edge*

Ici, la féminité rencontre la masculinité. Les pièces tailleur rencontrent des proportions ludiques, des pantalons larges aux jupes ultra-courtes. Elle n'a pas peur des éléments inattendus. Les pois, les sequins et les tons métalliques trouvent tous leur place.

*Here, femininity meets masculinity. Tailored pieces meet playful proportions, from wide trousers to ultra mini skirts. She's not afraid of unexpected elements. Polka dots, sequins and metallic tones all find their place.*

La féminité fluide occupe le devant de la scène cette saison avec un esprit insouciant qui évoque le passé tout en étant résolument actuel.

Les robes longues flottent avec aisance, détaillées de plis, de dentelle et de couches légères qui ondulent avec le mouvement.

Sa garde-robe adopte une sensibilité artisanale, où la broderie offre une touche tendre et personnelle et où les textures délicates apportent un sentiment d'intimité. Il y a des touches de charme bohème et parfois une élégance douce et émotive qui intensifie son allure.

La couleur clé est le vert, allant de la menthe douce à l'olive moutarde et au vert forêt profond, apportant chaleur, émotion et modernité à son look éthéré.

La saison prochaine, elle marche sur la ligne entre force et douceur. Les codes masculins et féminins sont fusionnés avec une touche d'audace, aiguisée mais ludique.

Les pantalons larges l'ancrent tandis que les mini-jupes ultra-courtes montrent qu'elle n'a pas peur de bousculer les codes.

Ses silhouettes s'entrechoquent et se harmonisent lorsque des pois transparents rencontrent des tailleurs structurés. Elle choisit le denim comme une texture brute et rebelle ; équilibrant utilité et sensualité.

*Next season, she walks the line between strength and softness. Masculine and feminine codes are fused with a sense of edge, sharp but playful.*

*Wide trousers ground her while ultra-short minis show she's unafraid to disrupt. Her silhouettes clash and harmonize as sheer polka dots meet structured tailoring. She reaches for denim as a raw, rebellious texture; balancing utility with sensuality.*

# WHO'S NEXT

## Home

**Réenchanter le retail par le design**  
***Re-enchanting retail through design***

Depuis plus de 30 ans, Who's Next inspire, bouscule et connecte l'écosystème de la mode à travers une sélection audacieuse de marques, d'idées et d'expériences. Le salon est devenu bien plus qu'un rendez-vous professionnel : un révélateur de tendances, un catalyseur de mutations, un accélérateur de rencontres.

Avec Who's Next Home, une nouvelle étape s'ouvre naturellement. Un secteur inédit, entièrement dédié à l'univers de la maison, pensé pour répondre à une réalité que vous êtes nombreux à expérimenter : celle d'un retail en transformation, où la création ne se limite plus à une catégorie mais s'exprime à travers des univers multiples.

*For over 30 years, Who's Next has been more than a trade show. It has inspired, challenged, and connected the fashion ecosystem through a bold selection of brands, ideas, and experiences. The event has become a trendsetter, a driver of change, and a catalyst for creative encounters.*

*With Who's Next Home, a new chapter unfolds naturally. A dedicated space for the world of home and interiors, designed in response to a reality many of you are already living: retail is evolving, and creativity now moves across categories, blurring boundaries and embracing multiple universes.*

Les boutiques multimarques évoluent. Elles deviennent des lieux hybrides, vivants, inspirants. Concept stores, espaces lifestyle, pop-ups à l'identité forte... À côté du prêt-à-porter, des accessoires, des bijoux et de la beauté, le design, la décoration et les objets du quotidien prennent toute leur place dans cette nouvelle narration du commerce. Intégrer l'univers de la maison, c'est enrichir l'expérience client, prolonger l'ADN d'une sélection mode à travers d'autres formes d'expression sensibles, esthétiques, engageées.

WHO'S NEXT HOME, c'est donc bien plus qu'une extension : c'est un manifeste. Celui d'un retail plus libre, plus transversal, plus curieux. D'une curation construite pour vous, avec cette exigence qui nous lie : faire émerger des propositions singulières, cohérentes, désirables.

Dans un format immersif et scénographié, une quarantaine de marques et studios redessinent l'objet d'intérieur avec un regard nouveau. Chaque pièce est un geste. Chaque stand, une histoire. Chaque rencontre, une promesse d'inspiration.

Nous avons pensé cet espace comme une ressource concrète pour accompagner la transformation de vos boutiques. Une scène vivante, au cœur du salon, pour explorer d'autres voies, d'autres idées, d'autres manières d'exprimer ce qui vous rend uniques. Bienvenue dans ce nouvel espace.

Entrez, explorez, imaginez... et laissez-vous inspirer.

*Multi-brand boutiques are transforming. They are becoming hybrid spaces — lively, curated, inspiring. Concept stores, lifestyle venues, pop-ups with strong identities... Alongside ready-to-wear, accessories, jewelry, and beauty, design and home objects now play a central role in this new narrative of commerce. Integrating home into your offering means enriching the customer experience and extending the DNA of your fashion selection with new forms of expression — sensitive, aesthetic, and engaging.*

*WHO'S NEXT HOME is much more than an extension: it's a manifesto. One that champions a more fluid, curious, and connected retail. A curated vision created with and for you — professionals in search of unique, coherent, and desirable propositions.*

*In an immersive and scenographic format, around forty brands and studios reimagine interior objects through a fresh lens. Each piece is a gesture. Each stand, a story. Each encounter, a source of inspiration.*

*We have designed this space as a practical resource to support the transformation of your stores — a living stage at the heart of the show, where new paths, new ideas, and new forms of storytelling come to life.*

*Welcome to this new space. Step in, explore, imagine... and be inspired.*

# BIJORHCA

**Bienvenue sur Bijorhca**  
**Welcome to Bijorhca**

Depuis 1930, ce salon est votre point de ralliement. Celui d'une communauté de passionnés, d'experts, de créateurs et de savoir-faire. Le seul en France entièrement dédié à l'univers du bijou, de l'horlogerie et des accessoires précieux. Un événement de référence qui, chaque saison, affirme avec fierté son ancrage à Paris — ville de style, de patrimoine et d'inspiration.

En étant ici aujourd'hui, vous prenez part à cette histoire vivante. Vous faites partie d'un écosystème qui façonne, repense et célèbre le bijou sous toutes ses formes. À travers les allées du salon, dans les échanges, les vitrines, les gestes, une énergie circule. Celle du métier, de la création, de la transmission.

Pour cette édition de septembre, Bijorhca explore une thématique aussi subtile que puissante : AURA.

Ce halo invisible qui entoure chaque bijou. Ce que l'on ne voit pas mais qui fait vibrer. L'intention d'un créateur, la mémoire d'un geste, la charge émotionnelle d'un bijou porté, transmis, aimé.

Une programmation riche de talks, d'ateliers et d'expériences sensorielles vous invite à interroger cette dimension sensible, presque immatérielle, du bijou.

Et si sa véritable force ne résidait pas uniquement dans la matière — mais dans ce qu'elle transmet, ce qu'elle fait ressentir ?

*Since 1930, this show has been your gathering point — a place for a community of passionate individuals, experts, creators, and artisans. It remains the only event in France entirely dedicated to the world of jewelry, watchmaking, and precious accessories. A benchmark event that proudly sets its roots in Paris — a city of style, heritage, and inspiration — each and every season.*

*By being here today, you're taking part in this living history. You're part of an ecosystem that shapes, rethinks, and celebrates jewelry in all its forms. Across the aisles of the show, in conversations, displays, and gestures, a unique energy flows — the energy of craft, creativity, and transmission.*

*For this September edition, Bijorhca explores a theme as subtle as it is powerful: AURA.*

*That invisible glow surrounding every piece of jewelry, that can't be seen — but can be deeply felt. The creator's intent, the memory of a gesture, the emotional charge of a piece that's worn, passed down, loved.*

*A rich program of talks, workshops, and sensory experiences invites you to explore this sensitive, almost immaterial dimension of jewelry.*

*What if its true power didn't lie in the material itself — but in what it carries, in how it makes us feel?*

## Expériences autour de l'aura

Pour incarner la thématique de l'Aura, Bijorhca s'associe à Blandine Bert et propose deux moments de reconnexion au cœur du salon.

### Coaching énergétique

Dans un espace calme, Blandine Bert propose des séances individuelles de 10 à 15 minutes, sur inscription. Intuition, clarté, réalignement : un tête-à-tête confidentiel pour repartir recentré, avec une intention claire.

Pour Bijorhca, elle propose une série de dix photographies inspirées par la thématique de l'Aura. Une exposition sensible, qui prolonge l'expérience du salon par un détour poétique et sensoriel.
